

## JLG Can Help with Your Toughest Collection Development Problems

### Staff cuts?

Let Junior Library Guild be your virtual staff! Help with collection development is just the beginning. We offer a variety of services including MARC records, shelf-ready processing, and more.

### Budget cuts?

If you face the possibility of a budget cuts, why not guarantee now that you will continue to receive the best newly published books for your library over the next year? Your Junior Library Guild membership brings you 12 great new books (six audiobooks) per level you order. You pay in advance so you don't need to worry if budget reductions occur. Plus, shipping is always free.

### Difficulty selecting certain genres?

Stymied by sports? Boggled by biographies? We'll help you assemble a mix of levels (for example, science for early elementary students or fantasy/science fiction for high schoolers) that will be a perfect fit for your library.

### Demand for the newest materials?

JLG editors make their selections before books are published. That means you get only the newest books. And because you're a member, you get them first.
